

## The Mysterious Death

One day all the employees of a struggling business reached the office and saw a big sign on the door. It said: “Yesterday the person who has been hindering your growth in this company passed away. We invite you to join the funeral in the room that has been prepared”. In the beginning, they all got sad for the death of one of their colleagues, but after a while, they started getting curious to know who was that man who hindered the growth of his colleagues and the company itself.

The curiosity in the room quietly but cautiously began to grow. The more people reached the coffin, the more the curiosity of the others grew. Even though they didn’t want to admit it, they were all wondering: “Who is this guy who was hindering my progress?” One by one the intrigued employees got closer to the coffin, but when they looked inside they suddenly became speechless. They stood near the coffin, shocked and in silence, as if someone had touched the deepest part of their soul. There was a mirror inside the coffin: everyone who looked inside it could see himself.

There was also a sign next to the mirror that said: “There is only one person who is capable of setting limits to your growth: it is YOU.”

You are the only person who can revolutionize your life. You are the only person who can influence your happiness, your realization, and your success. You are the only person who can help yourself. Your life does not change when your boss changes, when your friends change, when your social status changes, or when your company changes. Your life changes when YOU change, when you go beyond your limiting beliefs when you realize that you are the only one responsible for your life.

### **Moral**

The world you inhabit is like the mirror in the story. It is a reflection of your thoughts and beliefs. Take Responsibility for your thoughts and actions. Choose to be great!
